## **NATIONAL FUND FOR ENVIRONMENT (FONERWA)**

**TITLE: Request for Expression of Interest for International consulting firms to develop the Resource Mobilisation and Partnership Strategy (RMPS) for FONERWA**

**REFERENCE N°: N° 006/QCBS/2017-2018/FONERWA**

**TYPE OF CONSULTANCY: INTERNATIONAL CONSULTANCY**

**DATE OF ISSUE: June 2018**

### **1. Background and context**

The Rwanda Green Fund, FONERWA, was identified as the sustainable financing facility to ensure successful implementation of the Green Growth and Climate Resilience Strategy (GGCRS). The fund has the mission to mobilize and manage resources for achieving environmental sustainability, climate resilience and green growth in order to promote Rwanda's short, medium and long term sustainable development goals; to fund projects and programmes by public and private sector as well as other development support organizations that seek to contribute to the stated objectives of the fund.

The Green Fund, in undertaking its mandate of resource mobilization, partnerships, and management of sovereign and non-sovereign donors and partners, wants to develop a Resource Mobilization and Partnership Strategy (RMPS) to provide an extra edge to efforts to attract adequate and more predictable funding from a range of partners, ensuring focused and tangible results on the ground while contributing to FONERWA's objectives.

FONERWA is therefore seeking a consultant firm to design and develop the Resource Mobilisation Partnership Strategy (RMPS) and setting up mechanism for the establishment of a Green Growth SME Incubator. This exercise will undertake other strategic priorities taking into account existing financial instruments and innovations to be carried out to explore options for mobilising resources for the existing pipeline

The National Fund for Environment, now invites eligible consultant firms to express their interest in providing above mentioned services.
